Dear Parents and Carers,

You will hopefully be aware of the fantastic work your PTFA carries out to raise funds for our school. We wanted to take this opportunity to thank you for your support.

We want to inform you all about Match Funding as a scheme and how a little bit of your time could double the funds we raise as PTFA. If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for a stall an employer is working on. Usually, the employee will need to supply them with a letter from the PTFA detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any of our events. If the kids are getting homework over summer consider this yours! This could be a really large source of extra income for the PTFA which will help us raise money for next year's projects.

If you think you are able to help us this way please email Kathryn or myself and we can discuss your companies' requirements.

Thank you once again for your ongoing support.

Laura Richards
PTFA Chair
