Dear Mairi and the Euxton Church of England Voluntary Aided Primary School Community

OFSTED

I am delighted to convey our sincerest congratulations to you on behalf of the Board of Education for the extraordinary achievement of Euxton Church of England Voluntary Aided Primary School. Following a recent visit by OFSTED, we are thrilled to view the outstanding report, which underscores the exceptional qualities and achievements of your school.

Euxton School has truly set a benchmark in fostering an outstanding ethos, and we would like to highlight some remarkable features from the report. It is heartening to learn that pupils are not only excited to come to school but also deeply appreciate the imaginative ways in which staff bring learning to life. The calm and nurturing atmosphere, coupled with the exceptional care provided by the staff, create an environment where pupils feel safe to express their opinions and views, fostering a sense of happiness and safety.

The conduct of the pupils is exemplary, reflecting the kind and considerate way they treat each other. This positive atmosphere is a testament to the school's commitment to setting high expectations for pupils' achievement. Staff, with skillful dedication, develop pupils' knowledge to ensure academic excellence and a broadened range of interests. The school has successfully integrated pupils' understanding of the wider locality and the world. All of this is so important to further the vision of the school as a Christian Distinct environment.

Maintaining an "Outstanding" rating is undoubtedly a challenge, and the Board of Education recognizes the ongoing commitment of the entire school community in achieving this across the board. Your achievements reflect the dedication of the staff, the involvement of parents, and the positive atmosphere that permeates the school.

The school's commitment to diversity, respect for other faiths and religions, and understanding of fundamental British values are truly exemplary. The wide range of tailored clubs and specialist support for pupils' mental health highlight the school's dedication to meeting the diverse needs of its pupils.
