Dear Parents,

Wellbeing week

What an amazing week we have had at school! The children enjoyed visiting different classrooms/areas in school on Monday and Tuesday afternoon where they were given the opportunity to take part in many different wellbeing activities. The carousel of activities included decorating biscuits, playing parachute games, sharing books with other children, mindfulness sessions, making posters using the PicCollage app on the ipads, as well as enjoying circle time with the children in their wellbeing groups. Yoga sessions on Tuesday and Wednesday were also a big hit with

the children, as were the P.E. sessions using the large apparatus. Thursday brought a sea of yellow into our school with the children and staff wearing yellow clothing / accessories to raise money for the Young Minds charity. Thank you for all of the kind donations, we raised a wonderful total of £167.50! To finish off a fantastic week, each year group shared their wonderful ideas for our Courageous Advocacy project in our worship on Friday morning. Our week of planned wellbeing activities gave each child in our school the opportunity to share hugely positive experiences with their peers, helping every child to 'shine' in their own unique way. A big thank you to all of the children and staff for making it a hugely rewarding, successful and enjoyable week.

Parents' Evening

We look forward to meeting with parents on **Monday 14th October** to discuss how the children have settled into their new classes and the progress they are making. Teachers will be in the school hall. Appointments are **5 minute slots**. If you think more discussion time is needed, please make arrangements to meet with your child's teacher on another day. Thank you for your support.

Y5 & Y6 PSHE trip

Next **Tuesday 15th October**, Y5 and Y6 will be going to Inspire in Chorley to take part in PSHE workshops relating to child safety. Children to wear **school uniform**. This is a half day trip and we will return to school in time for usual lunch routine. Thank you to Tyrer's Coaches for providing transport.

Open day

We are looking forward to welcoming prospective parents to have a tour round school next **Wednesday 16th October** from 9.30-11.30am. Our Year 6 children will be showing visitors round school and sharing their expert knowledge about their time in school ☺

Thank you to our current Reception parents who have shared comments with me about the start of the school year. I still have space for some more, so if you have a couple of minutes to spare, please could I ask you to reflect on how your child has settled into school and possibly write a few lines to share on Open Day? Prospective parents really do value your thoughts and the importance of choosing the right school for a child. The comments will be anonymous. My email address is head@euxton.lancs.sch.uk
Many thanks for your support.

Reading volunteers

We are looking for more reading volunteers to support school. We already have some wonderful members of our school family who come into school weekly. The children benefit enormously from volunteers as positive role models in the classroom and the extra reading sessions really help improve reading confidence and enjoyment. If you have some free time in the week to share with the children and would like to help spread the joy of reading in school, then please contact Mrs Obertelli or the school office. Any help is much appreciated by all. Thank you for your support.

NHS Dentist accepting children

Another dentist accepting children at the moment is The Oaks Dental Practice, Preston Road, Chorley. For more information or to register your child please call 01257 230230.

We are still looking for people to offer to take on the role of chair or be a co-chair and vice-chair of the committee. We would love you **ALL** to join us and this is also a great opportunity to welcome new members to our already amazing team!

To join in please message euxtoncofeptfa@gmail.com, contact the school office or feel free to turn up in the day.

Healthy Snacks

As a school we like to promote a healthy balanced diet. Please support us by only sending children into school with healthy (nut-free) snacks. We are still seeing lots of children bringing crisps and chocolate based snacks into school. If children have toast in the morning, they will only need one snack for afternoon play if needed. Fruit is provided for free for infant children.
