

Children's Equality Charter Euxton C of E Primary School

-

We live by our Christian Values and British Values.

We respect peoples' differences.

We celebrate that everyone is unique.

We take care of our environment, showing respect.

We welcome visitors with a smile and use our manners.

We help each other by checking in with our friends and giving support.

We have a voice and help to decide what we do as a school.

We treat everybody fairly and have trusted adults to listen to us and support us.
