

Euxton C.E. Primary School Improvement Plan 2024-25

Key Priority 1: Christian Vision: Embed a culture to encourage justice and courageous advocacy, enabling pupils to make ethical choices and to be agents of change.

Key Priority 4: Develop monitoring and evaluation systems for foundation subjects in order to monitor progression in learning from EYFS to Y6 and evaluate the quality of teaching across the curriculum.

Key Priority 2: To implement high-quality oracy education at a whole-school level, throughout a variety of subject areas.

English: Reading comprehension skills to be developed, with a focus on retrieval and inference. Children's vocabulary to be expanded to improve their literacy skills in both reading and writing.

Key Priority 3: Embed the 'five-a-day' approach to improve high quality teaching for all pupils, including those with SEND and disadvantaged children.

Maths: To ensure that children understand and accurately use mathematical vocabulary, both verbally and in written format, when explaining methods used to solve reasoning problems.

In our Christian family, we all **SHINE** in the light of Jesus.
