Bench-ball Festival

Last Friday Mrs MacDonald took a bench ball team to Southlands High School to participate in a tournament. They played a great number of games over the two hours, with only one small break! The team played superbly, with great determination and co-operation, always working together and being incredibly supportive of one another. We were extremely proud of every one of them-well done!

Online Safety Newsletter

Please see the attached newsletter for January which contains lots of useful information regarding age related computer games.

Sporting Competitions

On **Wednesday 22nd January**, a Y3 and Y4 team will be competing in the Dodgeball festival.

On **Thursday 23rd January**, a Y3 and Y4 team will be taking part in the Sports Hall Athletics heat.

All above events take place after school from 4-6pm.

On **Thursday 13th February**, our Y5 and Y6 athletics team will be competing in the finals of the Sports Hall Athletics competition.

We wish all children who represent school in these events the best of luck and know they will do us all proud. Thank you to our staff team and parents for attending these events with the children so that they can take place.

Pre-Loved Uniform Update

Tom and Laura Critchley have kindly managed the distribution of this for a while now and are looking to pass it over to another volunteer. If you would be interested in storing pre-loved uniform at your home, promoting it via the Facebook page and sending orders into school please contact Mrs Hodges asap. Thank you. **We haven't had any parent come forward to take this role on. If you do think you could take it over from Tom and Laura or maybe would like a little for information about what is required please speak to Mrs Hodges. It would be a real shame for this service to cease.**

Curriculum enrichment

Next week (Tuesday and Wednesday) Reception will have their balance bike training sessions which are provided by Chorley SSP coaches.

On Friday, Year 6 will be taking part in a Geography fieldtrip exploring Buckshaw Village.

Our children enjoy a range of exciting learning opportunities. Please remember to read the class blogs to keep informed about your child's learning each week 😊
